Dear Siblings in Christ,

Recently a friend shared a sign with this quote on it. It reminded me how scary change can be, especially for the Church recently.

The whole Church has witnessed so much change over the last ten years that it has been overwhelming for most of us. Unfortunately, many of the changes that have just happened have not been beautiful. I know that St. Stephen has faced many changes including losing a fulltime pastor and an interim pastor. The larger Church has seen a decline in attendance and even interest in growing in faith. We compete against more and more things for people's time and commitment.

fall is a gentle  
reminder that  
change can be  
beautiful.

It is no wonder that doing everything the same old way is no longer working but change means taking a risk and that scares us. Yet, I am certain that some new things you are doing have been wonderful. I know from talking with you that the interim time with Pastor Joel was a good change and I pray my time with you will be as well. Since I am still new, I am not sure which other things are new to you. Yet I hope that you can name and give thanks for something new that has been

a good change for your congregation. I do trust that working with Mt. Zion Lutheran Church will be a good, new change.

I know that there will be more changes coming but I hope that most of them are things that we decide to try and not changes forced upon us. As we watch the leaves change, may fall remind us that change can be beautiful!

If the change is for building up the kingdom of God, it will be beautiful! Let us make positive changes in our mutual ministry!!

In Christ's Love and Grace,  
*Pastor Marleen*

Secret Santa registration is open once again! <https://www.surveymonkey.com/r/8RSNPRT> Don't let this year be the year that you are left out of the Christian Fellowship and giving spirit! Doing good deeds for others in secret, is one of the miracles that God has granted us the ability to perform. The anticipation and excitement will help to bring a smile to both the giver and the recipient this season!

Here's how it works. Sign up. You will be sent the name of someone else that is participating after December 1st. Choose or make a gift for that person (no more than a \$20 value) and wrap it up brightly. Secretly leave the present on their doorstep and leave, or mail it to them, sometime in December. It's that simple!

Registration closes **November 29<sup>th</sup>**!

Fuse Registration is now open for **Winterfest, January 3-5, 2025!**

Register at <https://www.surveymonkey.com/r/62MJHPW>

Winterfest will gather youth in **grades 9-12, college students** on winter break, and their congregational advisors for a weekend immersion in Christian community, focused around a central theme this year of: Fingerprints! You are a unique gift from God, marked by God with gifts that make you truly special. As a disciple of Jesus, how are you leaving a mark of Jesus' love, grace, and forgiveness on the world around you?

You can look forward to live music, faith formation conversations and teaching, social activities, games, night life, electives, large group worship, small group studies, and fun at the Wyndham Resort in Lancaster County. A quiet room is offered for those who would like to peacefully sit out of the louder activities.

A **\$50 deposit/person** is the cost for this event. Talk to Jenny about special situations requiring scholarships.

[yfmd@ststephenlc.org](mailto:yfmd@ststephenlc.org) Must register by **NOVEMBER 30, 2024**. Please consider joining us this year!

**ST. STEPHEN LUTHERAN CHURCH WOULD LIKE YOUR INPUT! We are looking into the possibility of holding a quarterly, community dance for the public, after it was expressed that residents would like more opportunities to be able to get to know their neighbors and have a safe place to socialize at. Before we go through the work of holding it only to find no one attends though, we would like to gauge community interest in it first.**

**Please go online and take our fast 2 question survey to help us determine if this is something the public would like to see us put on or not. No input is not the same as a "No" answer. It just makes us think you didn't see the survey link! So go online and let us know! Many thanks and blessings!**
